Jo
We will seek instructions from the Committee as to whether it is agreeable to our sending this Memo across the owners email data base. Not sure what you mean by setting up proxy votes but the EGM meeting papers will contain a proxy form so that financial owners not attending the meeting can appoint a proxy.

In the absence of receiving back our Details Update Form which invites you to instruct us as to methods of communication of levies and EC notices and minutes, may we in any event set you up so that you receive such just by email?

We also record that when we spoke on 11 August 15 we recommended that you seek legal advice as to the content of your proposed Motion. You indicated in effect that you did not think you needed to.

Regards
